FOR MYSORE STATE

1-52.

(1953) Department.

SERIES.

G.O. NO. Ms.No.386.

Dated 31st January, 1953.

[Despatch Abstract.]

Establishment - Port Department - Temporary - Mangalore Port - Post of Store Attender - Sanctioned.

From:
A. Mudie Esq.,
State Port Officer,
Post Box No.13,
MADRAS-1.

To:
The Secretary to Government,
Public Works Department,
MADRAS.

No.1572 G1/52-8 Dated 7-1-1953.

Establishment - Madras General Subordinate Service - Class XXXV - Port Department - Mangalore Port - Creation of a post of Store Attender on Rs.18-1/2 (A) - 26 per mensem - Sanction requested.

I invite a reference to G.O.No.Ms.3742, Public Works dated 15-9-1948 ordering the conversion of the post of Stores Assistant (Lower Division Clerk) at Mangalore Port into Upper Division post.

2. The Port Officer, Mangalore now reports that from 1949 onwards, a Lascar belonging to the crew of Suction Dredger 'Gurpur' has been deputed to assist the Stores Assistant and attend to store work and this arrangement is being still ~~contained~~ continued. He considers that the services of a whole time Store Attender are absolutely necessary to assist the Stores Assistant in his daily duties such as receipt and issue of stores which item of work is almost a daily occurence, as there are about 800 items of stores both dead stock and expendible to be properly accounted for. A list of duties attached to the post of Stores Assistant is enclosed. Further, there is enough outdoor work for a subordinate to keep him engaged in attending Railway Goods shed in order to despatch ~~to~~ sub-ports and light houses under the Port Officer and to take delivery of stores - Vide Port Officer's letter No.1311/52-2 dated 25-4-52 and his note dated 4-6-52 to the Port Conservancy Board, Mangalore (Copies encosed).

3. A statement showing the various items of expendible stores received and expended at the port of Mangalore during the years 1949-50 to 1951-52 is herewith enclosed. Besides the expendible stores, there are different items of dead stock stores more or less of an equal number which have also to be accounted for. Thus the Volume of store work at the port has become heavy and the services of a Stores Attender are considered absolutely necessary to assist the Stores Assistant in the receipt and issue and despatch of different items of stores to different craft and out-ports and light houses

4. In the circumstances stated, I request that Government may be pleased to sanction the creation of a post of Store Attender on Rs.18-1/2 (A)-26 per mensem under the Madras General Subordinate Service - Class XXXV at the port of Mangalore. There are ~~two~~ similar posts one each at Kakinada and Cuddalore Ports.

5. The extra average cost involved on account of the above proposal is Rs.268-4-0 per annum. The expenditure will be met from the "State-Mangalore Landing and Shipping Fund". The approval of the Port Conservancy Board, Mangalore for the additional cost has been obtained vide copy of its resolution No.VI dated 10th June 1952 enclosed.

Yours faithfully,

STATE PORT OFFICER

3. Copy of Port Officer's note dated 4-6-52 to the Port Conservancy Board, Mangalore.
4. Copy of Port Conservancy Board's resolution No.VI dated 10-6-52.
5. Statement showing the quantity of stores received and expended for 3 years (1949-52 to 1951-52).
6. List of duties attached to the post of Stores Assistant.

PPS/8.

I

From: The Port Officer, Mangalore.
To : The State Port Officer, Madras.
No.1311/52-2 dated 25th April 1952.

Establishment - Mangalore Port - Madras General Subordinate Service, Class XXXV - Store Attender - Creation of a post --Proposals submitted.

I invite kind attention to State Port Officer's Memo No.1346-G1/52-1, dated 17-4-52 calling for the particulars of the sanctioned strength of permanent post under the Madras General Subordinate Service and my statement No.1311/52-1, dated 19-4-52 furnishing the particulars. In this connection I have to state that since 1949 onwards a lascar from Suction Dredger 'Gurpur' was being deputed to attend store work and this arrangement is being continued now also. It has become absolutely necessary that the services of a Store Attender on whole time duty is necessary to assist the Stores Clerk at this Port in his work of receipt and issue of stores which item of work is almost a daily occurrence and there are about 800 items of stores including Dead Stock to be properly accounted for. I therefore request that, if approved. Government may please be addressed for the creation of a whole time Store Attender's post in addition to the present sanctioned strength of the establishment under the Madras General Subordinate Service at this Port. The qualifications that may be prescribed and the scale of pay that may be recommended for sanction are stated below. The knowledge of English is necessary to arrange and classify each item of stores according to their nomenclature and specifications and an increased rate of scale of pay is suggested as the individual concerned has to handle valuable articles and also as an inducement to stick on to the job.

(i) Must be less than 25 years of age, if recruited direct, and
(ii) Must have passed III Form (able to read and write English)
(iii) Scale of pay: Rs.30-1-40.

Sd. xxx
Port Officer.

****

II.

From: The State Port Officer, Madras.
To : The Port Officer, Mangalore.
No.1572 G1/52-2 dated 26-5-1952.

Establishment - Mangalore Port - Madras General Subordinate Service - Class xxxv - Port Department - Creation of a post of Store Attender - Correspondence resting with your letter No.1311/52-3 dated 14th May 52.

*****

I agree to your proposal for the creation of a post of Store Attender under the Madras General Subordinate Service, Class xxxv at the port of Mangalore. But your suggestion to prescribe higher qualifications and to attach a higher scale of pay to the post proposed to be created for the Mangalore Port is not feasible as there are already two posts of Store Attenders under the same service, one at Kakinada Port and the other at Cuddalore Port on the existing time scale of Rs.18-1/2(A)-26 with necessary qualifications prescribed as given against category 15 under

Class xxxv - Port Department. I therefore propose to address Government for the creation of a post of Store Attender for the Mangalore Port on the existing scale only Viz Rs.18-1/2(A)-26.

2. As the cost of the proposed post will be met from the Mangalore Landing and Shipping Fund, please obtain and forward the concurrence of the Port Conservancy Board, Mangalore for the extra expenditure involved.

Sd. A. Mudie,
State Port Officer.

****

III.

No.13/52.

NOTE FOR THE PORT CONSERVANCY BOARD, MANGALORE.

Establishment - Mangalore Port - Madras General Subordinate Service Class XXXV - Creation of a post of Store Attender - Approval requested - State Port Officer's Memo No.1572 G1/52-2 d/26-5-52.

It has become absolutely necessary the services of a Store Attender on whole time duty to assist the Stores Clerk at this Port in his work of receipt and issues of stores, attending Goods Station in taking delivery or despatch of various articles of stores and also despatch of stores to out ports, which all items of works are almost a daily occurrence. There are about 800 items of stores to be properly accounted for. The State Port Officer, Madras has agreed to the proposal for the creation of a post of Store Attender under the Madras General Subordinate Service, class XXXV (Vide his Memo No.1572 G1/52-2 dated 26-5-52) at the Port for the work. There are similar separate posts of Store Attenders at the Ports of Kakinada and Cuddalore and the scale of pay attached to these posts are Rs.18-½(A)-26 and the same scale is recommended by him for the post proposed for this Port also. The average cost per annum on the above proposals to create a new post of Store Attender under the Madras General Subordinate Service, Class XXXV - at this Port will be Rs.268-4-0. The concurrence of the Board to the extra expenditure is requested,

Sd. xxx
Port Officer.

****

IV.

Copy of Resolution No.VI of the Port Conservancy Board, Mangalore dated 10-6-1952.

Read State Port Officer's Memo No.1572 G1/52-2 dated 26-5-1952 regarding the proposals for the creation of a Store Attender's post under the Madras General Subordinate Service at the Port of Mangalore and Port Officer's note thereon dated 4-6-1952.

"A p p r o v e d."

****

The following are the duties attached to the post of the Stores Assistant at Mangalore.

---

(1) In charge of all stores of Landing and Shipping Fund and Minor Ports Fund - Maintaining, receiving issuing and accounting of all stores. Maintaining of expendible and Dead Stock registers of accounts for stores received and expended separately for each fund. Maintenance of inventories for dead stock furniture tools etc., distributed to craft, office etc. Preparation of concerned annual and periodical returns and estimates including survey reports of unserviceable stores

(2) Time keeping of the dredgers launch and contingent establishments of the port, which at times takes the Stores Assistant miles away from the office to the dredging site.

(3) Preparation of pay bills and maintenance of service registers of dredgers and launch establishments and checking of store bills and passing the same for payment.

(4) Attending to correspondence relating to "Stores" section and the office including that of the sup-ports.

(5) Attending to correspondence relating to dredgers launch and other non-pensionable establishments of the port.

(6) Attending to non-technical duties connected with floating craft of the department. Preparation of estimates for work and repairs to parts. Preparation of spare parts indents and correspondence relating to work, repairs etc.

(7) Work as to railway goods yard while receiving and despatching of tank wagons, stores such as paint, oils, cement etc.

(8) Receiving and despatching stores to sub-ports of the district and to lighthouses.

(9) Writing up of the log book of craft and tradesmen when persons concerned are not literate in English.

The Stores Assistant carried out his duties both indoors and outdoor.

/ True Copies /

STATE PORT OFFICER.
